**THIRD SOUTH ASIAN CAPITAL MARKETS CONFERENCE  
Mauritius, April 22-25, 2010**

**'Expanding  
Asset Classes & Growth  
Opportunities in South Asia'**

South Asian Federation of Exchanges (SAFE) announces the holding of its flagship conferences under the title of 'South Asian Capital Market Conference'. The upcoming conference follows the successful holding of our earlier conferences in Colombo, Sri Lanka and Dhaka, Bangladesh.

The upcoming conference will be attended by a galaxy of CEOs and heads of various corporates, banks, and financial institutions in South Asia and other regions. Technical sessions involving cutting-edge discussions on critical aspects of deepening of the South Asian Financial Markets shall be chaired and attended by some of the luminaries in the international & domestic financial markets.

The conference offers a unique opportunity to the corporates interested in expanding the visibility of their brands on the international scale. Besides, the conference also offers excellent professional learning and networking opportunities to those professionals scouting for opportunities in global financial markets to participate as a delegate.
